

HEART SONG

Because of a glitch in the printing process, some copies of Heart Song printed in black and white without a grayscale pattern making all the stitches on the tree white instead of gray and white as referred to in the instructions. We hope this detail of the tree at right will help define which stitches should be worked in Gray Brown Dark and which should be worked in Gray Brown Light

Needlepoint Silk 982 Gray Brown Dark Satin Stitch (tree trunk) in 2 ply

Needlepoint Silk 971 Gray Brown Light Satin Stitch (tree trunk) in 2 ply
