FINISHING:

Step 1:

Count out 24 threads from each of the four points of the design area. Score and cut away excess fabric.

Step 2:

Fold the keep in half horizontally (right sides together) and stitch across each side 10 threads in from the cut edge. Turn keep right side out. Fold under 10 threads along unfinished edge (toward inside).

Step 3:

Make twisted cord from Razzle Dazzle Red (or use purchased ribbon). Fold in half and knot at ends. Insert knotted end into opening of keep and begin to whip stitch opening together. Leave a small area unstitched at the bottom of the keep. Fill keep with rice. After filling, finish whip stitching the opening together.
